

## **Pop Music Bass Guitar Admission Requirements**

- A repertoire of ten songs from which the examining board will choose at its discretion. The pieces performed should draw from as wide a range of styles as possible.
- Blues or 12-beat jazz/blues accompaniment in various tempos and keys (the examining board will provide live music).
- Accompaniment of an unfamiliar piece of music in each style by a bassist with a band, from a lead sheet provided on the spot.

### **Recommended material:**

- Jamiroquai
- Jaco Pastorius
- Led Zeppelin
- Earth, Wind & Fire
- Kool & The Gang
- Maceo Parker
- James Brown
- AC/DC
- Bruno Mars

The applicant may deviate from the recommended material, subject to the above requirements.

It is recommended that the repertoire be performed on a musical basis (original recordings may be used).

The examining board is also free to ask questions to assess the candidate's professional knowledge, musical background, and plans and may ask for other relevant professional tasks.

For each specialisation, the main subject entrance exam material should be submitted via a cloud-based online video sharing platform (Google Drive, YouTube).
